MATERIALS & CARE

**MATERIALS**

---

**POWDER-COATED ALUMINUM** is both lightweight and extremely durable. The rust-proof nature of the welded powder-coated aluminum frame offers high quality and strength, making it a great fit for high-traffic outdoor environments.

**CARE**

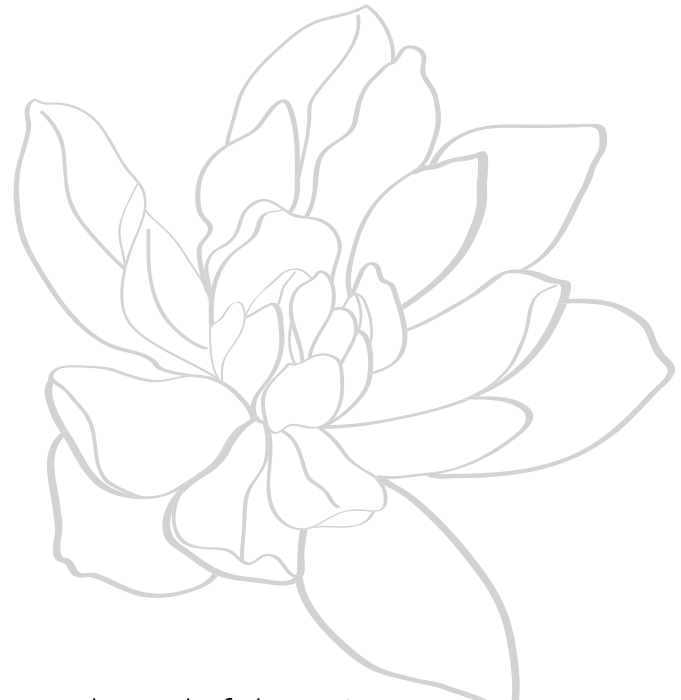

---

**POWDER-COATED ALUMINUM** requires little maintenance, however regular cleaning is recommended to keep furniture looking new. Bird droppings, sap, leaves (organic substances) and other potentially corrosive substances should be cleaned as soon as noticed. Gently dust before cleaning to avoid scratches. Wash gently with a mild non-abrasive cleanser, rinse well and let dry.

**WARRANTY**

---

Oxford Garden warrants all outdoor furniture and accessories to be free from manufacturing defects in material and workmanship. Provided the furniture is assembled correctly and is subjected to normal use, Oxford Garden will cover your outdoor furniture under five, three and one year warranties, varying by material.
